A REPORT ON THE REDESIGNING OF THE AUDA-NEPAD NIGERIA WEBSITE

INTRODUCTION:

This project entails redesigning the AUDA-NEPAD Nigerian website found on the domain: https://auda-nepad.gov.ng to conform to that of the International organization.

From our preliminary research, we discovered that the AUDA-NEPAD Nigerian website has the following defects:

- Take a long time to load (An average time of about 3 Minutes).
- The current website on AUDA-NEPAD does not properly represent the organization in its full glory. In the world of ICT, your website is considered your Digital/Online office. Your website look and the experience users get when they visit your website matters a lot and will determine if they will love to visit the website again. Like they say "First Impression Matters".

As a result of the aforementioned, we have proposed a redesign of the AUDA-NEPAD Nigeria official website. We went on to research the AUDA-NEPAD international website and modelled the new AUDA-NEPAD Nigeria website to look like that of the international version. We will then proceed to localize the content of the website and adapt the website to soothe that of the Nigerian office. New Modules/features will be added and features/modules not applicable to the Nigerian office will be removed from the website.

REQUIREMENTS FOR THE REDESIGN OF THE WEBSITE:

To get started with the redesign of the AUDA-NEPAD Nigeria website, we will need the following:

- We need a list Menus and sub Menus you will want the website to have.
- We need content and information for each of the provided menus and sub menus.
- We need relevant Images and Graphics to be put on the website.
- We need relevant resources in form of Media, Videos and Documents to be on the website.

We have received a number of information to be used on the site from your team and we currently working on using them to redesign the website. At the end of the implementation of

the information so far received, we will make a demonstration to your team for input and comments.

Below, we provide screenshots to some pages that we have been able to redesign.

Note: The screenshots below still have some content (Images and Textual) lifted from AUDA-NEPAD International website. All content will be replaced by the AUDA-NEPAD Nigerian content as soon as we organize the content received and also receive more content from your team.

Also, we have only attached screenshots from the **HOME PAGE** and **WHO WE ARE PAGE** so as not to overcrowd the summary report. Other pages have been redesigned and ready for content fitting. We hope to work closely with your technical and media team in Abuja to harness all needed data and fit into the site in readiness for demonstration.

About Us

About Us

The New Partnership for Africa's Development (NEPAD) is the pan-African strategic framework for the socio-economic development of the continent. It is a comprehensive strategic framework for Africa's renewal and entrenchment of sustainable growth and development within the continent. It is a pledge by African leaders, based on a common vision and a firm and shared conviction to achieve greatness in growth and development in Africa.The Agency is now known as African Union Development Agency (AUDA-NEPAD) following the transformation and domestication of the decision of the AU Heads of State and Government at the 31st Ordinary Session in Nouakchot, Mauritania, 1st – 2nd July 2018. The reform offers the Agency the mandate to Coordinate and execute priority Regional and Continental projects in Nigeria; promote integration towards the accelerated realization of Agenda 2063; strengthen National capacity; Advance knowledge-based advisory; undertake full range of resource mobilization; and serve as the National technical interface with development stakeholders and partners. The transformation enables the actualization of unification of policies, proper utilization of Manpower, effective coordination of projects and programmes, re-establishment of its visibility in the comity of Nations through improved bilateral relations and institutionalization. The Agency is now strategically repositioned and reinvigorated to work with Public-Private Partnership (PPP) to implement, Coordinate and Monitor National developmental policies, plans and projects in line with SDG Agenda 2030 and African Union Agenda 2063 to drive economic growth and development as well as enhance good governance in the country.

The AUDA-NEPAD Nigerian Journey

NEPAD was adopted in 2001 by the OAU 37th Summit and ratified by the AU in 2002 at its first summit. The

---

NEPAD strategic framework document was prepared by the leaders of the five initiating states (Nigeria, Algeria, Egypt, Senegal and South Africa). African heads of state and government met in Abuja, Nigeria, in October 2001 and adopted the name NEPAD. However following the transformation and domestication of the decision of the AU Heads of State and Government at the 31st Ordinary Session in Nouakchot, Mauritania, 1st – 2nd July 2018 the Agency is now known as African Union Development Agency (AUDA-NEPAD).

Since the creation of NEPAD and its transformation to AUDA-NEPAD, Nigeria has domesticated all her activities in line with its Coordinating Secretariat Guideline. The Agency have successful established its National Structures. It is also identifying critical and strategic stakeholders and partners, developing effective policy framework; implementing strategies; identified developmental needs as well as development of programmes and project that addressing these challenges and enriching humanity in line with global trend.

The Agency has been headed by the following National Coordinator and Chief Executive Officer.

standardization. Thus, the Agency is repositioned for efficient operation and effective service delivery supported by well-designed operational model and competent staff. It is Re-aligned to its vision through Innovation, Technology and Public-Private-Partnership (PPP) engagements. The Agency is Re-structured through the re-establishment of effective Strategies which led to its reform. The Agency is now Re-launched for maximum productivity, driven by professionalism. The CEO also initiated the '3Ps' tool – Productivity, Partnership and Prosperity to consolidate the gains of the initial '4Rs' for actualization of Social Development Goal (SDG) 2030 and Agenda 2063. The Productivity strategy ensures cost effective utilization of both human and materials resources, while the Partnership strategy focuses on reinvigorating the projects and programmes to ensure Prosperity through institutionalization.

National Structure/Governance

For ease of domestication of AUDA-NEPAD Nigeria's activities and programmes from the National level down to the grassroots, a proper structure was constituted in-line with the AUDA-NEPAD coordinating Secretariat's recommendation and guideline. At the National Level, AUDA-NEPAD National Secretariat which is under The Presidency, is led by the National Coordinator and Chief Executive Officer with relevant Departments and Units, while at the State and Local Government Levels, AUDA-NEPAD Nigeria activities and programmes are carried out by State Coordinators and Focal Point Officers respectively.

Similarly, for smooth and effective coordination, partnership and synergy of AUDA-NEPAD Nigeria activities and programmes with relevant Ministries, Departments and Agencies (MDAs), Desk Officers were equally created at different MDAs. This well-defined and established structure has improved inter Agency relations and buy-in of all critical stakeholders at all levels into AUDA-NEPAD Nigeria's activities and programmes.
